

REVOLUTION TOUR 2008

Event Profile:

The Revolution Tour 2008 is a unique and brand new concept never before experienced or tested on the masses.

The event will comprise combinations of high profile Australian bands, choreographed with the excitement of Freestyle Motocross riders ripping out amazing tricks, minor pyrotechnics and The Rev Babes dancing to DJ beats.

This incredible show will be a full on three and half hour adrenalin rush of non-stop entertainment that will have spectators screaming for more.

The Revolution Tour will kick off in Bunbury on the 25 October, then onto Geraldton, then to Kalgoorlie and a possible major finale in Rockingham.

This four part premium tour will be all held under a massive big top and will be limited to only 3500 people per show so rain, hail, wind or whatever the show will go on and the punters won't be disappointed.

There will be two shows held at each venue; one family lunchtime matinee so the local kids can enjoy and experience the excitement of Freestyle Motocross demonstrations, extreme circus acts and local bands in a complete alcohol free environment and a second will be a strictly over 18's show only with national and high profile WA Bands.

This tour will push the limits of personal excitement, perception and experience and will bring ultimate action sports and music to the regional centres.
